## PRODUCT BULLETIN

**SUBJECT:** Change to Rain Sensor for the Solatube® Operable HSE Skylights

Solatube® International, Inc. announces a change to the rain sensor connection for the Solatube® Operable HSE Skylights.

### Description of Change

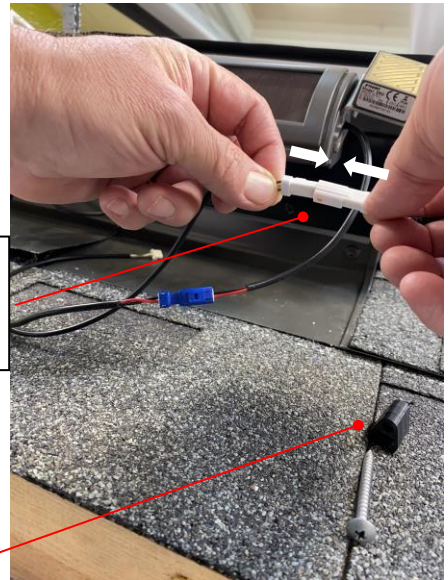

The cable on the rain sensor for the Solatube HSE Operable Skylight has been improved to include a midline connector to ease the installation process.

Rain Sensor

New Inline Cable Connector

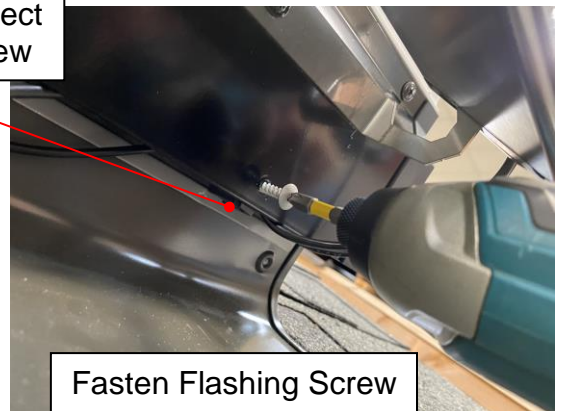

Snap  
Cables  
Together

Use Snap  
Spacers to Protect  
Wires from Screw

Tuck Wire Connector Under Sash and Install Screw. Ensure Wires are above Screw.

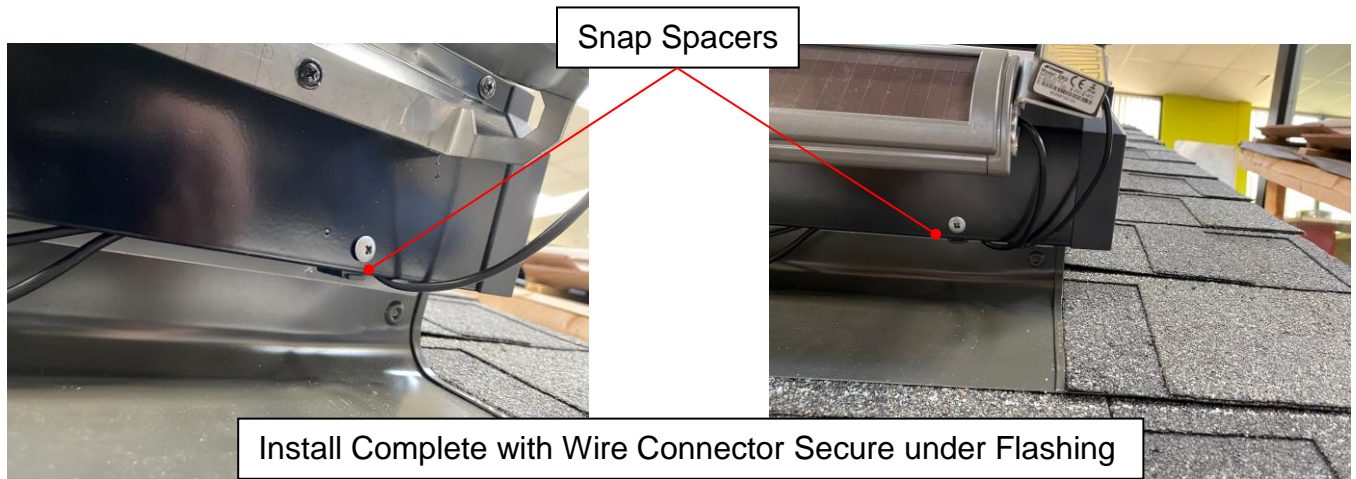

Fasten Flashing Screw
